The Versoix Yacht Club was founded in 1962 and currently has over 600 registered members. It is located at Port-Choiseul, where the club restaurant enjoys one of the most beautiful views of the Mont-Blanc and the French Alps.

The sailing area

Lake Léman is the largest lake in Central Europe. It has a distinctive Alpine character and is situated at the Western tip of Switzerland, just north of the French district of the Haute Savoie.

Three main types of wind ensure ideal sailing conditions:

Large scale winds (Bise, Western wind)

Thunderstorm winds (Joran)

Land breezes (Séchard)
